And for the next part of today's program, we are going to listen to some music. Now, music is a perfect way to learn English. This song is called, "Present" by Mrs. GREEN APPLE. You may know this, but they are a Japanese band. However, this is their English version of the song. Amazing!

[Queue Song]

That was "Present" by Mrs. GREEN APPLE.

[Laughs]

So this song is a kind of love song and the "present" is the heart or love.

We hope that you enjoyed that one.

### **Mango's Better Better English (1m)**

And for the last part of today's program, it is "Mango's Better Better English!"

Today's phrase is "JK".

In English, this means "just kidding" not high school girl (女子高生).

Of course, this phrase means "just joking".

Many of you know this phrase but I wanted to remind some of you.

Repeat after me, "just kidding".

### **Closing Message**

That's all for today!

Thank you so much, guys!

See you next time!
